Principal's Welcome

Tracey Bennett

Dear Families,

What an amazing 70th Birthday Community Fair we had on Sunday. There were lots of people and the sun was shining bright. We had many stalls, entertainment, \$20 Boss, food and drink vans in the school grounds to share in the joy of being here with us all to celebrate 70 years for the school.

A huge thank you to the hardworking planning committee especially to Erica Staude who was instrumental in the success of the day. Special mention to Matt Britten for the incredible work he did in the background from planning where all the stalls and food trucks would go, overseeing and supplying all the audio equipment from Higher Sound & Light. Thank you to the amazing parent committee members (Vanessa, Martina, Sarah and Felicia) who put in many hours in preparation and helped out on the day. Thank you to Lauren Whitbread, Chanelle Pomeroy and Deanne Pollitt who spent many extra hours organising entertainment, stalls, memorabilia and decorations. Thank you to all the staff who gave up their time to run stalls, helped with the BBQ, got supplies, set up and packed up after the fair. To all those who volunteered their time and energy on the day, helping in a myriad of ways, Thank you!

Thank you to Felicia and her band for entertaining us on Sunday. SaSamba is South Australia's first community samba band, established to teach and showcase carnival and street music styles from Brazil and other parts of the world.

Road traffic

Last week we had a near miss incident on Margaret Avenue. There are often cars parking, dropping off or picking up students in the no standing area in the morning and afternoon. A member of our community was parked and was reversing their car to leave when a student ran across the road and behind their car and the student was nearly hit. The council was notified, and the person shared this information with us. They were a little shaken by the incident and concerned that there are lots of cars not doing the right thing along with students who are running across the road instead of using the designated crossing to cross the road. We would like to take this opportunity to remind our community to be safe and responsible when dropping off and collecting students before and after school. Please remind your child/ren to be extra vigilant when entering and leaving school at these busy times and the importance of using the designated crossing areas.
