Principal's Welcome

Tracey Bennett

Dear Families,

I would like to wish all our staff and families a wonderful holiday break. It is hard to believe that the end of term is upon us and what a fantastic term we have had! There has been so much happening throughout this first term including welcoming 84 new Receptions, Governing Council AGM, Acquaintance night, External school review, Bike Education, Sports Day, Running Club, SAPSASA, NAPLAN, Senior and Junior choirs established, Three way Conferences, School photos, Local walk and French movie excursions.

There has been an outstanding level of commitment from teachers and SSOs to plan and implement rigorous, relevant and challenging learning programs that engage children to be powerful learners. A sincere acknowledgement and thank you to all our staff and children for their hard work and commitment this term. Please enjoy a safe and relaxing two week holiday break.

Anne and Caroline

They seek them here. They seek them there. Librarians seek them everywhere. What are they? You guessed it. OVERDUE library books.

We currently have 502 overdue books. And yes, some of them are still overdue from last year! The upcoming holidays are the perfect time to have a bit of a fossick to locate them.

Well done to the following students who have completed the challenge.

Uniform donations: Monrovia Liberia

As we have done previously, this year we again will be donating any uniforms we receive with old logos to a school in Monrovia, Liberia. If you have any school uniforms with old logos on them, please bring them into the front office. We thank Katie and Mandy Dixon for connecting us with this great opportunity and acknowledge the hard work and dedication of George Nayou who is passionate in his efforts to give these students the equipment and supplies they need to enable them to have access to better educational opportunities.
