BRING YOUR OWN DEVICE (BYOD)

PARENT INFORMATION

All information can be found on our website
https://paringpkps.sa.edu.au/digital-technologies

Our BYOD Program handbook has all the information regarding devices at our school.

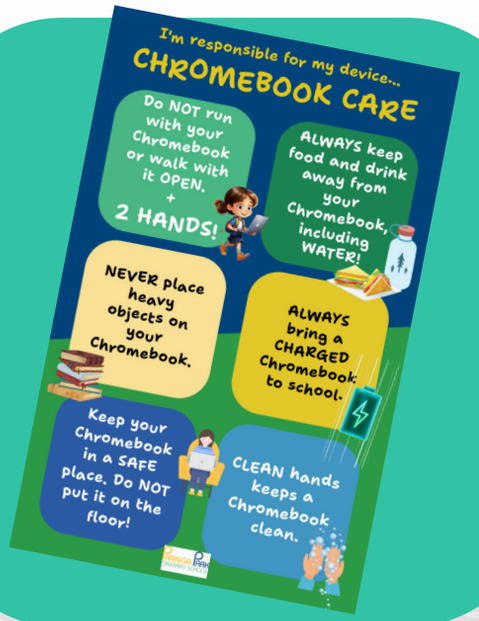

Video Link

This video provides families with more information, including supporting families at home.

A CHROMEBOOK CARE poster has been created for students and families.

PARINGA PARK PRIMARY SCHOOL

DEVICE USE AT PPPS

Families are highly encouraged to purchase a device for their child through our BYOD Portal.

All students, Year 3 to 6, use Chromebooks for learning activites, in both class and specialist areas.

Year 1 and 2 students will begin to develop their skills with Chromebooks, Year 2 students can BYOD.

We now have new iPads. They are available for all year levels, with iPad Pods shared between classes.

Non-BYOD students will borrow a Chromebook from the library. This device will be their responsibility for the year, remaining at school.

Our AGREEMENTS

- All devices user
- Borrowed devices

Paringa Park Primary School Device Loan Agreement 2025
